

## Wong Shiu Chi Secondary School Career Exploration Fair 2016

With the help of CLAP for Youth@ JC School-based Team, the Career Exploration Fair was organized on 6 July 2016. The activity enabled S4 and S5 students to understand Non-JUPAS study options and achieve individual student planning. Non-JUPAS institutes and overseas studies agencies were invited to set up information booths and deliver admission talks to our students.
