University Summer Programmes

25 Form 4 and Form 5 students were admitted to the PolyU Summer Programme 2016. The Programme provided a good chance for the participating students to learn more about the discipline itself through various hands-on activities conducted by academic staff of PolyU. Students also had an opportunity to visit the state-of-the-art facilities and talk to undergraduates about their study life at PolyU.

Alumni Sharing

The alumni from different tertiary institutes were invited to share their experiences on study skills, stress management as well as their preparation on DSE. The atmosphere of the sharing sessions was good and our students responded actively in the sharing sessions. The useful tips given by the alumni helped our students to sail through the upcoming journey.

Workshops and Visits

During this school year, various workshops were organized to enhance students' self-understanding and acquire necessary skills and knowledge for making study and career choices.

Careers & Further Studies Committee worked closely with Other Learning Experiences (OLE) Committee to organize different kinds of activities to help students explore the career world and set their career goals.

Besides, being one of the first 5 network schools of the CLAP for Youth@ JC, our students were given many opportunities to explore their career aspirations.

Interview skills workshop

Mock Release of HKDSE Results for Secondary 5

The event was held successfully on 21 March 2016 with the help of The Friends of Scouting. The first section simulated the release of HKDSE Exam results. Each student was given a result slip which was made in accordance with their internal assessment. The second section was mock interview. Through the activity, students were better prepared for release of HKDSE results and they could review their study plans wisely.

Career Exploration Fair 2016

With the help of CLAP for Youth@ JC School-based Team, the Career Exploration Fair was held on 6 July 2016. The activity enabled S4 and S5 students to understand Non-JUPAS study options and achieve individual student planning. Non-JUPAS institutes and overseas studies agencies were invited to set up information booths and deliver admission talks to our students.
